Subj: REVISION OF CHAPLAIN CORPS TIER 1 TRAINING

1. Chaplain Corps Tier 1 DADT repeal training has been revised. The current version, dated 11 April 2011, has been posted on the Navy and Marine Corps DADT repeal websites. This revised version supersedes all previous versions and should be reviewed in its entirety.

2. During the initial stages of curriculum development, several policy questions were raised related to same-sex marriages. Those questions were forwarded for legal counsel and approval was secured to commence Tier 1 training while awaiting further guidance. Additional legal review concluded that the curriculum did require modification of content related to same-sex marriage issues as found in Vignette 1 and FAQ 5.

a. Regarding the use of base facilities for same-sex marriages, legal counsel has concluded that generally speaking, base facility use is sexual orientation neutral. If the base is located in a state where same-sex marriage is legal, then base facilities may normally be used to celebrate the marriage. This is true for purely religious services (e.g., a chaplain blessing a union) or a traditional wedding (e.g., a chaplain both blessing and conducting the ceremony). Facility usage is determined by local policies and the Region Legal Service Office (RLSO) should be consulted to ensure compliance with existing laws and regulations. This is a change to previous training that stated same-sex marriages are not authorized on federal property.

b. Regarding chaplain participation, consistent with the tenets of his or her religious organization, a chaplain may officiate a same-sex, civil marriage: if it is conducted in accordance with the laws of a state which permits same-sex marriages or union; and if the chaplain is, according to applicable state and local laws, otherwise fully certified to officiate that state's marriages. While this is not a change,

it is a clearer, more concise and up to date articulation. Again, consult the Region Legal Service Office (RLSO) to ensure compliance with existing laws and regulations.

3. The revised Chaplain Corps Tier 1 training is posted on the Navy and Marine Corps DADT websites. Those websites are found at: Navy - <http://www.dadtrepal.navy.mil>; Marine Corps - [https://www.manpower.usmc.mil/portal/page/portal/M\\_RA\\_HOME/DADT](https://www.manpower.usmc.mil/portal/page/portal/M_RA_HOME/DADT). All prior versions of the curriculum should be replaced by the current 11 April 2011 version.
